Convert Visitors to Customers  
with On Site Search Solutions

Date: Wednesday, May 16, 2018

Time: 9:00 AM PT

Speaker: John Thuma, Director of Aster  
Strategy and Analytics, Teradata Labs

For marketers and business analysts who want to leverage advanced big data analytics to improve on site search and customer satisfaction – to win!

What are your customers searching for?

30%

of on-site searches  
are underperforming,  
costing businesses  
sales and customers.

ASTER

optimizes search engines  
with big data analytics.
